FARM-TO-TABLE

Casa Lhasa is expanding its dining offerings with a farm-to-table Mediterranean culinary experience, brought right to the comfort of your home. Whether you're hosting a holiday retreat, an intimate dinner with friends, or a special celebration, our team will handle every detail, providing an exclusive and personalized service.

Our sharing-style menus are designed to create a warm and interactive dining experience, bringing people together around a beautifully curated table.

To elevate the experience, each meal is paired with a selection of quality natural wines, carefully chosen to complement the flavors of the dishes. Here are three sample menus that we believe are perfect to celebrate any occasion on the island. These will give you a glimpse of what we create during the summer. All menus are flexible and can be customized to suit your taste.

OUR SERVICES INCLUDE:

- Personalized menu planning tailored to your tastes and needs
- A curated selection of premium natural wines
- Locally sourced, high-quality ingredients from Ibiza
- On-site preparation and cooking for a seamless dining experience

EXPLORE OUR MENUS

We offer three distinct menu styles, each thoughtfully crafted to suit various tastes and occasions paired with natural wines:

Classic: A comforting, Mediterranean-inspired selection designed for sharing.

Chef's Signature: A creative menu that reflects our chef's innovative approach and passion for fresh, seasonal ingredients.

Prime Cut: A premium experience featuring top-quality cuts and expertly paired flavors.

Each menu is flexible and can be personalized to create a unique, memorable experience. Reach out to discover more about what we can create for your special occasion.
